

### **CUSTOM WALLPLATES** | How To Order

#### How to Order Custom Wallplates

#### **General Information**

Custom wallplates, up to twelve gangs in size, made of brass, stainless steel, painted steel, aluminum or chrome, can be special ordered from Leviton. Any combination of the configurations shown can be specified to meet your needs. In addition, standard and custom metal wallplates can be engraved, and standard nylon wallplates can be hot stamped, with the message of your choice. Follow the steps below to fill out the Custom Wallplate Order Form completely and accurately. The finished order form must include:

- 1. The wallplate catalog number
- 2. The type of wallplate material desired (from the Material Code Chart)
- 3. The quantity of wallplates desired
- 4. The wallplate configurations in proper order (from the Configuration Code Chart)
- 5. The wallplate color, selected from the Wallplate Color Code Chart
- 6. Engraved information with message location and letter size
- 7. Hot stamped message filler color, selected from the Fill-In Color Chart

Photocopy the blank Custom Wallplate Order Form at the back of this section and refer to the completed sample Custom Wallplate Order Form shown when filling out your order. Your Leviton representative can provide you with additional forms if needed.

The sample order grid below shows the custom wallplate (example only), pictured at right:

Note: Messaging can be written horizontally or vertically. Please contact Leviton for examples of spacing and sizing
