## Combination Modules

### CO1110

#### 10x8 Combo Module 110 IDC Punchdown with RJ31X

CO1110

### 10X8 COMBO MODULE 110 IDC PUNCHDOWN WITH RJ31X

Distributes up to four lines of phone to 10 locations and 1GHz video to eight locations. The Antronix video splitter exceeds the performance requirements of major cable service providers. The included mounting infrastructure saves space in the enclosure and is detachable during installation to improve ability to terminate and manage cable.

PART NO.	DESCRIPTION
CO1045	10x8 Combo Module RJ45 with RJ31X Identical features to the CO1110, but with RJ45 phone ports.
CO2110-V1	10x8 Combo Module IDC with RJ31X, MoCA Optimized Identical features to the CO1110, but with a 1.675 GHz Antronix video splitter optimized for coax networking (MoCA).
