

**ROOM THERMOSTATS — 100 SERIES**

Item Number	Model Number	Description
	<b>F4-1748</b>	Terminal base for 1D78-140 & 1E78 thermostats.
	<b>F16-7715</b>	Cover for 1A65 / 1A66 (Beige) Thermostat.
	<b>F16-7716</b>	Cover for 1A65W / 1A66W (White) Thermostat.
	<b>F16-8100</b>	Cover assembly for 1F78-144 non-programmable.
	<b>F16-8101</b>	Cover assembly for 1F78-151 programmable.
	<b>F61-2301</b>	Wallplate for low voltage standard thermostats (5 5/8" H x 5 3/4" W). Beige. Includes adapter plate for mounting to vertical junction box. Same as F61-2068 except white.
	<b>F61-2300</b>	Wallplate for all 1F90 series thermostats (except Blue models), (7 1/4" W x 5 1/2" H), Classic White color, includes adapter plate for mounting to horizontal or vertical junction box.
	<b>F61-2499</b>	Wallplate for 1C20-xxx/1C26-xxx (5 5/8" H x 5" W).
	<b>F61-2500</b>	Wallplate for all 1F80 series thermostats (except Blue models), (7 5/8" W x 4 3/4" H), Classic White color, includes adapter plate for mounting to horizontal or vertical junction box.
	<b>F61-2510</b>	Wallplate for all 1F70 series thermostats, 6 1/2" W x 4 1/2" H, Classic White color, Includes adapter plate for mounting to horizontal or vertical junction box.
	<b>F61-2550</b>	Wallplate for all 1F70 series thermostats, 6 1/2" W x 4 1/2" H, Classic White color, does not include adapter plate for mounting to horizontal or vertical junction box.

Item Number	Model Number	Description
	<b>F61-2593</b>	Wallplate for 1D70 or 1E70 series thermostats, 4 1/2" W x 6 19/32" H, Classic White color.
	<b>F61-2600</b>	Wallplate for 90 series Blue Touch-screen thermostats, 8 1/8" W x 5 3/8" H, Classic White color, for use with or without horizontal junction box.
	<b>F61-2634</b>	Wallplate for 90 and 80 series Blue thermostats, 6 1/2" W x 5" H, Classic White color, for use with or without horizontal junction box.
	<b>F75-0176</b>	Temperature knob locking or limiting kit for 1A65-641, 1A65W-641, 1A66-641 and 1A66W-641.
	<b>F92-0563</b>	Temperature lever locking or temperature limiting kit for low voltage thermostats except 1C70, 1C20 and 1E26 series.
	<b>F145-1082</b>	Replacement door 1F90/1F97 (-51, -60, -71) 1F91-71, 1F92-71, 1F94-71, 1F95-71.
	<b>F145-0999</b>	Replacement key for all thermostat guards, F29 series.
	<b>F145-1000</b>	Replacement lock and key for all thermostat guards, F29 series.
	<b>F145-1328</b>	90 Series Indoor Remote Sensor. Replaces all previous Indoor Remote Sensors.
	<b>F145-1378</b>	90 Series Outdoor Temperature Sensor, For Models with Outdoor Sensor Option.
	<b>F61-2648</b>	Same as F61-2634 except 6 pack.
	<b>F61-2642</b>	Universal adapter plate for 1E65-144
